Dear Parent/Carer

Re: COVID19 Self Isolation Letter

We have been informed that your child is self-isolating as they are a close contact of someone who tested positive for COVID19 or they have themselves been tested positive for COVID19.

Home learning through a self-isolation period will be via:

- 1. Remote access to on site lessons via Microsoft Teams following the child's normal timetable**

(or as backup if connectivity issues but you must contact our academy reception to let us know)

- 2. Oak National Academy. Select – Lesson / Subjects / Key Stage 3 or Key Stage 4 / Subjects**
<https://classroom.thenational.academy/>

Parents and carers ensuring that children complete the fully specified self-isolation period is of paramount importance in protecting everyone's health, safety and wellbeing. By all following this government guidance we will be able to maintain a consistent education for our students with minimal disruption.

I want to take this opportunity to thank you for your ongoing support, understanding and cooperation. We look forward to welcoming your child back to the classroom following the period of self-isolation. In the meantime, if you have any questions or queries please do not hesitate to contact us.

Yours faithfully

Mark Roessler
Principal
