

Dear Parent/Carer,

We have some excellent opportunities for our Y10 students to receive small group (3 students) tuition with one of our own subject specialist teachers.

The tuition will take place outside of the school day but will be ONSITE, in person, not online and is funded by the National Tuition Programme and therefore needs to follow their criteria:

Students will need to attend 15x 1hr sessions for the subject of their choice. It must be a subject that they are underachieving in. They will have a baseline assessment in the first session, or their recent in-school assessments can be used. The tutor will work on gaps in their subject specific knowledge and skills.

If you would like to sign your child up to one of the subject sessions listed below, please use the link provided to our online sign-up form:

<https://forms.office.com/r/NXfBF4RGyS>

Please ensure you discuss the commitment to attending the sessions with your child prior to signing them up.

The deadline to sign up is end of day Wednesday 26th January. After the deadline, we will begin allocating places and I will be in touch.
