Year 7 Summer Term 3 Assessment Focus with Date

(Including resources to help students prepare for the assessment)

The focus for this Term is about learning the basic Timeline of Art and the techniques that they used to produce their work.. Student's will be taught about the history of the Art and it's origins. In the second half of the Term there is more in depth focus on Impressionist Art and the techniques that the Artists used to create their works. Student's will be assessed on both their Final Impressionist piece of work and presentation of all work from the term in their sketchbooks. Work set in the homework booklet is set to both support and prepare them for completion of this work and aid further understanding in the combinations of styles.

Year 7 Spring Term 1 Homework Focus

All student's are given a printed homework pack and this is added to Sims Engagement at the beginning of each Term

Week	Home learning Focus
1	Answer questions on the Artwork provided.
3	Create your own image of the Mona Lisa in the style of Henri Rousseau
5	Create your own image of the Mona Lisa in the style of Paul Klee.
7	Research Impressionism
9	Create your own image of the Mona Lisa in the style of your chosen Impressionist Artist.
11	Review of All homework.

Continue with Final 3D making	Final completion of work	Final presentation of work

Year 8 Art Summer Term 3 Assessment Focus with Date

(Including resources to help students prepare for the assessment)

The focus for this Term is understanding design and how the 2D design process links with creating a Final 3D piece. This work links with a variety of career options that this could lead into. Student's will prepare a mood board on the theme of Alice in Wonderland, create design ideas and work in groups to produce a Final finished Alice In Wonderland inspired Final 3D piece. They will be assessed on the mood board in the first half term and the 3D piece in HT6. The homework booklet is set to both support and prepare them for completion of this work.

Year 8 Summer Term 3 Homework Focus

All student's are given a printed homework pack and this is added to Sims Engagement at the beginning of each Term

Week	Home learning Focus
1	Research Alice in Wonderland, finding images, quotes and drawings to add to your mood board.
3	Choose your favourite character from Alice In Wonderland and make a sketch, add colour.
5	Draw an object related to the Mad Hatters Tea party. Add as much colour, detail and tone as possible.
7	Complete a drawing of Alice using patterns and ideas from other characters.
9	Create your own optical illusion. You could look at the work of Bridget Riley for further inspiration.
11	Review of homework tasks.

	Nature Project – Completion of All work	Introduction to 3D Circus Project and mood board	Circus Mood board and History of the Circus	Primary source work	Secondary source work	Alberto Giacometti	Niki De Saint Phalle	Will Kurtz	Grayson Perry	Presentation focus in books	Introduction to cultural masks	Introduction to Design ideas

Year 10 Art Summer Term Assessment Focus

(Including resources to help students prepare for the assessment)

Year 10's are working on Component One course work which counts as 60% of their Final grade. They are regularly assessed on pieces of Art that they are working on towards their Nature Project against the AO1 – AO4 marking criteria.

All work for the Nature Project should be handed in at the start of this term and this Term is the start of the Circus project with Final submission deadline at Christmas.

Year 10 Summer Term Homework Focus

Year 10's are expected to complete an hour of Independent work towards their Component One project each week to ensure all work is completed and no work is left outstanding. This will be set individually by their class teacher relevant to their progress with current course work in class.

Please find below an overview of home works linking to the current project.

Week	Home learning Focus
1	Completion of all work for Nature Project
2	Independent Circus research
3	Independent Circus and History of the Circus research
4	Complete a large scale drawing on the Circus using any chosen media
5	Research into the Artist Alberto Giacometti
6	Research the Artist Niki De Saint Phalle
7	Research the Artist Will Kurtz
8	Research the Artist Grayson Perry
9	Independent set homework
10	Independent set homework
11	Complete research into different types of Cultural masks
12	Sketch out at least 10 design ideas for your Final 3D Circus mask
